## **EDC Incubator welcomes 4 new tenants & 1 graduation**

ST. CHARLES COUNTY, MO --- Four new business tenants and one graduation from the small business incubator operated in St. Peters by the [Economic Development Center of St. Charles County](http://www.edcsc.com) was announced today by EDC officials.

New tenants include:

- [Clarus Communications](#) – a single source distributor of wholesale local phone service, long distance, data, MPLS, VoIP, SIP Trunking, Ethernet, internet services, hosted PBX, and conference calling
- [Conscious Sedation Consulting](#) – an ADA CERP recognized provider offering continuing education, training and consulting services to sedation providers on the administration of conscious (moderate) sedation and analgesia
- [1<sup>st</sup> Integrity Enterprises](#) – asset debt buying company focused on charged-off bank and credit card debt
- [Luxury Bath of St. Charles](#) – a bathroom remodeling company focused on transforming old, tired bathrooms into refreshing beautiful new ones

The latest company to graduate from the EDC incubator program is [Pro Basement Finishers](#), a basement remodeling and finishing company, who expanded and opened their new office in O’Fallon.

“Based on what we are seeing and experiencing at the EDC, there is an increased interest into entrepreneurship and we are pleased to offer new business owners specialized services such as counseling, monthly training, and the perfect place to grow their business dream,” said Craig Frahm, the EDC’s chief financial officer and incubator manager.

He said the EDC incubator is close to capacity but anticipates several larger businesses could be graduating soon and making available up to 4,000-square-feet of flex space.

For more information about available office suites in the EDC incubator, visit [www.edcincubator.com](http://www.edcincubator.com) or contact [Craig Frahm](#) at 636-441-6880 ext. 228.
